To Whom It May Concern,

I am pleased to recommend **Mauritz Andersson**, an outstanding volunteer with Best Buddies International, where he supported programs and events serving individuals with intellectual and developmental disabilities.

Mauritz made exceptional contributions, including:

- Supporting logistics at a high-profile June fundraiser in Hyannis Port, MA, where he helped coordinate transportation for VIP guests. This included preparing vehicle assignments, managing routing schedules, and ensuring seamless execution during a time-sensitive event.
- Demonstrating strong attention to detail and sound judgment in matching transportation solutions to guest needs, ensuring both efficiency and a high level of stewardship for VIP participants.
- Taking initiative on-site by stepping in to address logistical challenges as they arose, helping maintain flow and timing throughout the event.
- Playing a key role in the success of the Best Buddies merchandise store and pop-up shop at our annual July Leadership Conference at Indiana University. His work included inventory planning, merchandise setup, and managing sales for over 2,000 student attendees.
- Proactively resolving challenges such as limited stock availability by implementing alternative distribution strategies and ensuring uninterrupted sales flow throughout the three-day event.

Mauritz consistently demonstrated the following strengths and qualities:

- The ability to take initiative and solve problems in real time with minimal supervision
- Comfort working independently in dynamic, international settings
- A strong sense of responsibility and ownership, even in unfamiliar environments
- Excellent interpersonal skills when engaging with diverse stakeholders, including VIP guests, donors, and fellow volunteers
- A consistently positive, professional, and helpful attitude in fast-paced environments

I highly recommend Mauritz and am confident he will excel in his future endeavors.

Sincerely,

John Carlin
Vice President, Office of the Chairman
